AMPM EXPANDS INTO OKLAHOMA MARKET WITH COMPLETE MOBILE BILLING SOLUTION FOR HOSPITALISTS

AUSTIN—AMPM, an Austin, Texas-headquartered medical billing and practice management leader, announced today its expansion into the Oklahoma market with the addition of Global Physician Services, LLC to its client list.

“Expansion into other regional markets is our goal for 2008,” said [Kathy Campbell](#), President and CEO of AMPM. “Our service is perfect for hospitalists because we are the only company that offers a complete financial solution, from charge capture to money in your bank account,...and everything in between!”

Global Physician Services, located in Shawnee, Okla., is a new hospitalist group just outside of the Oklahoma City area. Dr. David Hadley and Dr. James Lynch will utilize AMPM’s complete mobile billing solution, [Pocket Practice](#)[®], which is a mobile charge system that integrates with AMPM’s billing services. Pocket Practice was originally designed for hospitalists and was launched in 2006.

AMPM currently services physician practices throughout Texas as well as markets in nine other states – Arkansas, Georgia, Indiana, Kansas, Louisiana, Missouri, Oklahoma, Oregon and Virginia. The company will be expanding its reach to hospitalists through sponsorship of [Hospital Medicine 2008](#), the annual meeting of the [Society of Hospital Medicine](#), April 3-5 in San Diego, Calif. During this conference, AMPM will educate hospitalists on how to gain better knowledge of the financial health of their practice.

About AMPM

AMPM is the expert when it comes to the financial health of a physician’s practice. For over a decade, AMPM has been working side-by-side with physicians and practices to boost their bottom line. As a [medical billing and practice management firm](#), AMPM’s highly specialized team of medical billing, coding and auditing professionals scrutinize every aspect of the claims process to ensure maximum reimbursements for clients.

AMPM leads the industry with [Pocket Practice](#)[™], a complete mobile billing solution for physicians, taking a claim from point-of-care until it is paid, by utilizing cutting-edge mobile technology. Founded by President and CEO Kathy Campbell in 1997, AMPM is headquartered in Austin, Texas. For more information, visit www.ampm-inc.com.

About Pocket Practice

Pocket Practice allows mobile physicians to capture charges at the point-of-care, interfacing with AMPM's billing software so that charges can be immediately processed. Pocket Practice affords physicians enhanced communication and coordination with the back office side of the practice, resulting in more accurate and timely claims. Pocket Practice can run on a PDA, Smartphone or even the web, giving physicians the opportunity to utilize the tool that best fits their needs.
